PROFESSIONAL SUMMARY

I'm a passionate **Security Analyst** with practical experience in monitoring security alerts, investigating incidents, and working with tools like Splunk, Wazuh, and Wireshark. I've gained a strong understanding of how to detect threats, respond to incidents, and support vulnerability management in a SOC environment. Currently, I'm expanding my skills into the **GRC domain**, learning frameworks like ISO 27001 and NIST, and developing a solid foundation in risk assessment, and compliance auditing.

EXPERIENCE

Cybersecurity Intern – Tamizhan Skills   **June 2025 – July 2025**

- Gained hands-on experience with basic networking concepts, and common vulnerabilities.
- Developed a custom Python-based port scanner named **Radar** to identify open ports and services

SKILLS

- **SIEM & Monitoring:** Splunk, Wazuh, IBM QRadar
- **Security Operations:** Incident Response, Log Analysis, Threat Hunting, IDS/IPS, Malware Detection, Vulnerability Assessment
- **Compliance & GRC:** ISO/IEC 27001, NIST Cybersecurity Framework, Risk Assessment, Audits
- **Scripting:** Python, Bash
- **Tools:** Splunk, Wazuh, TheHive, Snort, Wireshark, Burp Suite, Nmap, MITRE Attack, Nessus, OpenVAS, Cisco Packet Tracer, Archer, Jira, Sysmon, Linux, Windows.

PROJECTS

SIEM Environment for Real-World Threat Detection   **Present**

- Configured a SIEM platform using Wazuh and integrated with TheHive for incident response.
- Designed incident triage workflows and managed case tracking.

Network Simulation in Cisco Packet Tracer   **Mar 2025**

- Simulated enterprise network with 30+ devices, 5 VLANs, inter-VLAN routing, and ACLs.
- Implemented RIP protocol and tested subnet segmentation and secure routing.

EDUCATION

Bachelor Of Mathematical Science   **Nov 2022 - Jun 2025**
Maharaja Agarsen College, University of Delhi

Cybersecurity Student   **June 2024 - Dec 2024**
International College for Security Studies (ICSS)

ADDITIONAL INFORMATION

- **Certifications:** CEH (Certified Ethical Hacker) Master, ISC[2] Certified in Cybersecurity, Google Cybersecurity Certificate, ISO/IEC 27001:2022 Information Security Associate, AZ-900
- **Languages:** English, Hindi
- **Achievements:** Found Security Bugs on Websites like Shopclues, wibmo, lvk, shiphero. THM Top 5%
